**Date: 07 May 2026**

JSPM University Pune, Wagholi, Pune, Maharashtra has proudly received the Institutional Membership (IM 3413) Certificate from Indian Society for Technical Education on 07 May 2026.

The Indian Society for Technical Education (ISTE), established in 1968, is one of the premier national professional organizations committed to the advancement of technical education in India. ISTE works towards improving the quality and standards of engineering, technology, management, pharmacy, architecture, and applied sciences education through academic development, professional activities, research promotion, innovation, and industry interaction.

Receiving the ISTE Institutional Membership is a significant achievement for JSPM University Pune and reflects the university's commitment toward academic excellence, professional growth, and quality technical education.

Under this membership, JSPM University Pune plans to initiate various academic and professional activities for students and faculty members such as:

- To formulate general goals and responsibilities of technical education.
- To adjust curriculum and educational processes to changing conditions.
- To develop effective teachers and educational administrators.
- To improve instructional methods and practices and administrative usages.
- To enhance professional ideals and standards.
- To foster research as a function complementary to teaching.
- To cultivate fraternal spirit amongst the teachers, administrators, industrialists and professionals.
- To bring about effective linkage between technical institutions industry and society.
- To award Honorary fellowships, Awards and Prizes, for promoting the objectives of Technical Education.

The university will actively encourage students and faculty members to participate in ISTE activities to enhance technical knowledge, research capabilities, leadership qualities, innovation, and professional ethics.

JSPM University Pune expresses sincere gratitude to ISTE for granting the Institutional Membership Certificate and looks forward to a long and fruitful association for the advancement of technical education and professional development.
