

ANNUAL REPORT 2023-24

Dear JSPM University Family,

As we bid farewell to our inaugural year at JSPM University, it is with great pride and excitement that we present the first edition of our university yearbook. Within these pages lies a treasure trove of memories, year, we have experienced a multitude of emotions – from the nervous excitement of orientation to the jubilation of completing our first semester exams. Each photograph, each anecdote, serves as a poignant reminder of the friendships forged, the lessons learned, and the growth achieved during this transformative time in our lives. As we navigate the challenges and opportunities that lie ahead, let us pause to celebrate the milestones we have achieved together. Whether it be the late-night study sessions in the library, the spirited discussions in the lecture halls, or the impromptu gatherings in the quad, each moment has contributed to the rich tapestry of our university experience. This yearbook symbolizes the beginning of a new chapter in our lives. As we prepare to embark on the next leg of our journey, let us carry with us the memories and friendships cultivated during our first year of JSPM University, knowing that they will carry with us the memories and friendships cultivated during our first year at JSPM University, knowing that they will serve as a source of inspiration and support in the years to come. We extend our heartfelt gratitude to all those who have contributed to the creation of this yearbook – from the dedicated editors and photographers to the passionate writers and designers who have poured their time and talent into this project. Your hard work and dedication have ensured that this publication serves as a cherished memento of our collective experiences. In closing, let us embrace the opportunities that lie ahead with courage and enthusiasm, knowing that the bonds we have formed and the memories we have shared will forever unite us as members of the JSPM University family.

With warmth and gratitude,

Prof. B. B. Ahuja
Vice Chancellor, JSPM University

Overview of University's Journey

JSPM University, Pune, officially known as **Jayawant Shikshan Prasarak Mandal**, embarked on its transformative journey in 2001 under the visionary leadership of **Prof. Dr. T. J. Sawant**. The university's foundation was laid with its first educational endeavor, the **Rajashri Shahu College of Engineering**, located in Tathawade, Pune, which marked the beginning of a commitment to quality higher education.

Over the years, JSPM University has significantly expanded its footprint, with campuses now spanning across **Tathawade, Hadapsar, Wagholi, Bavdhan, Narhe, and Barshi**. The institution has grown to encompass a wide array of academic fields, including **management, research, pharmacy, and schooling**, catering to the diverse needs of its student population.

With a current enrollment of over **50,000 students** and a dedicated staff of more than **10,000**, JSPM University has become a hub of learning and innovation. The university prides itself on its commitment to five core elements that define its educational philosophy: **quality of education, a supportive learning environment, a holistic approach, a people-centric ethos, and visionary management**. These principles ensure that every student is provided with the resources and opportunities necessary to thrive academically and personally.

JSPM University's journey is characterized by a relentless pursuit of excellence, a dedication to nurturing talent, and a commitment to making a meaningful impact in the lives of students and the broader community. As it continues to grow and evolve, JSPM University remains steadfast in its mission to empower future leaders and contribute to society through education and innovation.

To be a value based globally acclaimed university at the forefront of innovation that provides experiential and transformative education through outstanding research and scholarship, leveraging service and leadership for industry and society.

- To be a learner centric university creating a dynamic and inclusive community that fosters intellectual, experiential, and lifelong learning competencies, while making meaningful contributions to society.
- To nurture thinkers and solution providers that lead innovation and knowledge creation.
- To advance knowledge and understanding, through cutting-edge research, scholarship, and creative activity, whilst also providing students with a transformative education that prepares them for success in the global workforce.
- To imbibe entrepreneurial skill and values among faculty and students.
- To be a leader in higher education, establishing synergetic relations and alliances which offer opportunities for long-term interaction with academia of repute and industry, both nationally and internationally.

- **Reverence for All:** As JSPMites we will inspire feeling of gratitude and deep sense of respect, recognition and appreciation of inherent worth and dignity of every individual with humility.
- **Integrity:** Both academic and individual accountability, to what is just and right, of being honest, truthful and fair, to deliver with moral principles.
- **Servant Leadership/Service:** Serve the common good.
- **Empathy:** An unfettered spirit to understand needs of others cognitively and affectively.

Unique Features and Strengths

1. **Diverse Academic Programs and Excellence:**

JSPM University offers a wide range of undergraduate, postgraduate, and doctoral programs in fields like engineering, management, pharmacy, research, and schooling. The university is committed to academic excellence, with rigorous curricula designed to meet the demands of the modern job market.

2. **Cutting-Edge Infrastructure and Facilities:**

The university's state-of-the-art campuses, spread across Tathawade, Hadapsar, Wagholi, Bavdhan, Narhe, and Barshi, are equipped with modern labs, libraries, and research facilities, providing an ideal environment for academic and practical learning.

3. **Strong Industry Connections:**

Through strategic industry-academia collaborations, JSPM University provides students with opportunities for internships, live projects, and placements with leading companies, bridging the gap between education and real-world experience.

4. **Holistic Development:**

JSPM University believes in nurturing students not just academically but also personally and professionally. The university offers a wide range of extracurricular activities, sports, cultural programs, and leadership opportunities that focus on the holistic development of every student, ensuring they graduate as well-rounded individuals.

5. **Global Outlook and Exposure:**

The university's curriculum and teaching methods are designed to instill a global perspective in students. With opportunities for international collaborations, exchange programs, and partnerships with global institutions, JSPM University prepares

students to excel in a globalized world by equipping them with the skills and knowledge needed to succeed in diverse environments.

6. Dedicated Placement Support:

JSPM University has a robust placement cell that works closely with top national and multinational companies. Offering career counseling, training programs, internships, and on-campus recruitment drives, the university provides strong placement support to help students secure positions in leading industries, ensuring high employability.

7. Entrepreneurial Focus:

JSPM University fosters an entrepreneurial mindset by offering resources, mentorship, and support to students interested in starting their own ventures. The university empowers students to become innovators and leaders in their chosen fields through guidance and support.

8.

9. Experienced Faculty and Mentorship:

JSPM University prides itself on having a highly qualified faculty and a people-centric ethos. Professors and mentors bring industry experience into the classroom, offering students valuable insights and personalized guidance throughout their academic journey.

Student Centric Approach

At JSPM University, the student-centric approach is at the heart of everything we do. The university believes that the success of its students is the ultimate measure of its own success. This philosophy is woven into every aspect of campus life, from academics to extracurricular activities, ensuring that students receive the guidance, support, and opportunities they need to thrive. Through its student-centric approach, JSPM University ensures that students are not just passive learners but active participants in their education, growing into confident, skilled, and socially responsible individuals who are prepared to succeed in the world beyond campus.

1. Personalized Learning Experience:

JSPM University adopts a tailored teaching approach that acknowledges the individual learning needs of each student. With small class sizes, interactive teaching methods, and one-on-one mentorship, students receive personalized attention, allowing them to progress at their own pace and gain a deeper understanding of their subjects.

2. Mentorship and Guidance:

The university's experienced faculty plays an essential role in mentoring students, not just academically but also in their personal and professional growth. Regular student-faculty interactions, guidance sessions, and career counselling help students make informed decisions about their future, equipping them with the skills needed to navigate challenges in both academics and their careers.

3. Student Well-Being and Support:

JSPM University is committed to the overall **well-being of its students**, providing them with access to counselling services, wellness programs, and a **supportive campus environment**. The university promotes a healthy balance between academics

and extracurricular activities to ensure that students maintain their mental and emotional well-being throughout their educational journey.

4. Skill Development and Practical Learning:

Recognizing the importance of real-world skills, JSPM University integrates practical learning into the curriculum. The university offers hands-on experience through internships, industry projects, and lab-based courses that focus on building both technical and soft skills. Students are encouraged to take part in workshops, seminars, and skill development programs that enhance their employability.

5. Active Student Participation and Leadership Opportunities:

The university places great emphasis on empowering students to take charge of their own learning and development. Through student clubs, leadership programs, and opportunities to participate in student governance, JSPM University fosters a sense of responsibility, independence, and leadership among its students, preparing them to take on challenges in both their academic and professional lives.

6. Feedback-Driven Improvement:

JSPM University values student feedback and incorporates it into its decision-making process. Regular student surveys, feedback mechanisms, and open dialogues between students and administration ensure that student voices are heard and that the university continually adapts and improves its programs and services to meet evolving student needs.

Address from the Founder Secretary

Greetings from the JSPM University Pune...!

I extend my warmest greetings to each and every one of you on behalf of JSPM University, Pune. It fills my heart with immense pride and joy as I address you today, reflecting upon the remarkable journey we have undertaken together. At JSPM University, we believe in the power of education to transform lives. Our institution has always been committed to providing quality education, fostering innovation, and nurturing the holistic development of our students. We take immense pride in our accomplished faculty members, dedicated staff, and talented students who have made significant contributions to the academic and research landscape.

As the Founder Secretary of JSPM, I am honoured to witness the growth and progress we have achieved over the years. Our focus has always been on fostering a vibrant learning environment that encourages critical thinking, creativity, and problem-solving skills among our students. We strive to equip them with the knowledge, skills, and values necessary to excel in their chosen fields and contribute meaningfully to society. Our curriculum is designed to be contemporary, relevant, and aligned with industry requirements. We emphasize experiential learning, industry collaborations, and research-driven projects to ensure our students are well-prepared for the challenges of the real world. We take pride in our strong industry connections and consistently strive to bridge the gap between academia and industry, enabling our students to become industry-ready professionals. At JSPM, we understand the importance of holistic development and provide ample opportunities for students to engage in co-curricular and extracurricular activities. We encourage them to participate in sports, cultural events, clubs, and societies, which not only promote physical well-being but also enhance their interpersonal and leadership skills.

Furthermore, we are committed to creating a nurturing and inclusive environment where diversity is celebrated and everyone feels valued and respected. We encourage students from various backgrounds to come together, learn from each other, and appreciate different perspectives. Our aim is to produce

responsible global citizens who are compassionate, ethical, and committed to making a positive impact on society. As we look towards the future, we remain steadfast in our commitment to academic excellence and continuous improvement. We will continue to invest in state-of-the-art infrastructure, research facilities, and faculty development to ensure that our institution remains at the forefront of education and research.

I would like to express my gratitude to our esteemed faculty and staff members for their tireless efforts in shaping the lives of our students. I am also grateful to our students for their dedication, enthusiasm, and their belief in the transformative power of education. Together, we have created a vibrant community that fosters intellectual growth and personal development. Lastly, I would like to extend my heartfelt thanks to our well-wishers, alumni, and the extended JSPM University family for their unwavering support and encouragement. Your contributions have been invaluable in our journey towards excellence.

As we move forward, let us continue to strive for excellence, embrace innovation, and uphold the values that define JSPM University. Together, we can create a brighter future and make a lasting impact on society.

Wishing you all the very best.

Prof. Dr. Tanaji Sawant
Founder Secretary, JSPM University

From the President's Office

Dear All,

I am privileged to take you through the journey of JSPM Group Pune. Jayawant Shikshan Prasarak Mandal (JSPM) was established in the year 1998 with an objective to bring Social Transformation by imparting Quality education to all sections of the society regardless of social or economic background. The management of JSPM Group firmly believes that the Quality Education can only bring the much required change in the society. Today JSPM Group is cluster of more than 78 institutes spread across six campuses in the metropolitan region of Pune. With the legacy of 25 years, JSPM Group has now established JSPM University Pune.

India is having the highest population of youth in the world and the future of our country depends on how well we provide quality educational opportunities to these youth. Rapid changes are undergoing in the knowledge land scape globally. It is becoming increasingly crucial for our youth force not just to learn but also to learn how to learn. With the advent of New Education Policy (NEP 2020), Indian education system has taken a right step in making education more holistic and experiential.

JSPM University Pune envisages being at the forefront of the changing educational landscape by offering multidisciplinary learning opportunities to its students through learner centred and flexible pedagogical approach. We have designed our academic programs and support infrastructure in such a way so as students' realize their fullest potential and enhance their abilities. We are sure that through our academic Programs students' will attain educational enrichment during the time they spend at the JSPM University campus.

Warm regards,

Dr. Ravi Joshi,

President, JSPM University

Message from the Vice Chancellor

Greetings from the JSPM University Pune....!

Every year, we welcome the brightest and most promising students from all over the globe to pursue an enriching undergraduate and postgraduate experience at the JSPM University Pune. But JSPMUni is more than a place where you earn a degree. It is a place where you can begin to lay the foundations for successful careers; a place where you may find life-long friends - a place where you begin your future. We've been a part of the fabric of the greater JSPM group since our founding in 1998. Our collaborations with partners in education, health care, business, the non-profit sector and cultural institutions have strengthened us and the communities we serve.

The student is the most important person on our campus. We create opportunities and inspire students to achieve their goals. We recognize that in addition to our students' academic pursuits, they lead full, rich lives and need our support. Yet, JSPM University offers more than just a great learning experience. It broadens horizons and challenges assumptions. The heart of JSPM University's success resides in our dedicated staff, robust student body and outstanding, recognized faculty members. As an evolving University, JSPMUni offers you a holistic tertiary education focused on creativity, entrepreneurship, leadership and interpersonal skills. You will also benefit from JSPM's reputation as a promising research-driven university where research talents are drawn together to set up base.

More than just a premier science and technology University, JSPMUni is committed to giving back to society. We offer broad-based and multi-disciplinary curricula that include engineering, life sciences, communications, arts, business, humanities and the social sciences. The wide array of programmes would include global education and immersion programmes with top-notch partner industries. Moreover, the incubation cell is in line with our philosophy to nurture creative and entrepreneurial leaders through a broad-based education in diverse disciplines. A University education at JSPMUni is not all about studying. Broaden your network by taking part in recreational and cultural activities. Hone your leadership and management skills by participating in the various clubs and committees. We encourage you to make the most of the life-changing experience you are about to embark upon. Take the opportunity to venture into the world and grow your possibilities under our immersion programmes which are imbibed in experiential learning.

Call on our admissions website to discover the multidisciplinary nature of our degree programmes, the rich array of electives and minors and honours, the research and academic culture, as well as the dynamic and radiant University convergence. Our friendly staff will assist you with any information that you might need - feel free to contact us.

I encourage you to visit our campus and learn more about the opportunities available to you at JSPM University.

Join us and become part of our vibrant JSPM community.

Warm regards,

Prof. B. B. Ahuja,
Vice Chancellor, JSPM University

From the Registrar's Desk

It is with great pride that I contribute to this annual report, which highlights the growth, achievements, and milestones of JSPM University over the past year. As Registrar, I have had the privilege of overseeing many of the university's key operations, and I am consistently impressed by the dedication, innovation, and commitment demonstrated by our faculty, staff, and students.

Our university's journey is a testament to the **visionary leadership** and collective effort of all stakeholders who have worked tirelessly to uphold our mission and vision. At JSPM University, we remain committed to ensuring that our students are not only well-educated but also well-prepared to face the challenges of the modern world with confidence and competence.

This annual report encapsulates the significant progress we have made across various domains, including academic expansion, infrastructure development, and industry partnerships. These accomplishments are a reflection of our university's **student-centric ethos**, wherein we continuously strive to enhance learning experiences and provide every opportunity for personal and professional growth.

As we look forward to the future, I am confident that JSPM University will continue to grow and innovate, providing **world-class education** and empowering the next generation of leaders and change-makers.

Warm regards,

Dr. Vishal Choudhary,
Registrar, JSPM University

Governing Body

The **Governing Body** of JSPM University serves as the highest decision-making authority, responsible for shaping the university's strategic direction and ensuring adherence to its mission of providing quality education. The body is composed of distinguished leaders from various sectors, including academia, industry, and public service. Their collective expertise and leadership ensure the effective governance of the university, fostering an environment of growth, innovation, and integrity. Together, the Governing Body plays a pivotal role in guiding JSPM University toward its vision of becoming a premier institution for higher education.

The **primary responsibilities** of the Governing Body include:

- Setting the vision, mission, and strategic goals of the university.
- Overseeing academic and administrative functions to ensure excellence in education.
- Ensuring financial accountability and optimal resource allocation.
- Monitoring compliance with statutory requirements and regulations.
- Encouraging innovative practices in teaching, research, and student development.

1. Dr. Ravi S. Joshi – Chairperson, President, JSPM University
2. Prof. Bharatkumar B. Ahuja – Vice Chancellor, JSPM University

14. Mr. V. S. Choudhary – Registrar, JSPM University

Academic Council

The Academic Council at JSPM University serves as the primary authority responsible for overseeing academic policies, curriculum development, and ensuring the quality of education. Committed to fostering an environment of academic excellence, the Council plays a crucial role in shaping the educational landscape of the university and ensuring that it meets the highest standards of quality and relevance.

Key Responsibilities of the Academic Council:

- **Curriculum Development:** The Council is responsible for designing, reviewing, and approving academic programs and courses to ensure they align with industry standards and emerging trends in education. This includes integrating innovative teaching methodologies and current research into the curriculum.
- **Academic Standards and Quality Assurance:** The Academic Council establishes and monitors academic standards, ensuring that all programs meet regulatory requirements and uphold the university's commitment to excellence in education.
- **Policy Formulation:** It formulates academic policies related to admissions, examinations, grading, student progression, and academic integrity, creating a fair and transparent educational environment.
- **Research and Development Initiatives:** The Council encourages and supports research activities across various disciplines, facilitating collaboration between faculty and students to enhance the university's research output.
- **Faculty Development:** The Council is involved in planning and implementing faculty development programs to ensure that educators are equipped with the latest pedagogical skills and knowledge necessary for effective teaching.

- Student Academic Welfare: It addresses academic-related issues faced by students, ensuring that their voices are heard and that appropriate support systems are in place for their academic success.

1. Prof. Bharatkumar B. Ahuja – Chairman, Vice Chancellor, JSPM University
2. Dr, A, R, Thete – Eminent Educationist
3. Prof. Prashant Gupta – Director, IIM Nagpur
4. Prof. R. K. Jain – Director, JSPM RSCOE Pune
5. Mr. Mangesh Kulkarni – Vice President, KBL Kirloskar, Pune
6. Prof. R. S. Deshpande – I/C Dean, Faculty of Science and Technology, JSPM University

15. Dr. Pratima Suryawanshi – Controller of Examination, JSPM University
16. Dr. D. V. Bhise – Associate Professor, School of Mechanical and Manufacturing Science, JSPM University
17. Mr. V. S. Choudhary – Registrar, JSPM University

Board of Examination

The Board of Examinations at JSPM University is a pivotal body responsible for overseeing the examination processes and ensuring the integrity, transparency, and quality of assessment across all academic programs. It plays a crucial role in upholding the standards of academic excellence by establishing fair evaluation methods and procedures that reflect the university's commitment to quality education.

Key Responsibilities of the Board of Examinations:

- **Examination Policies and Guidelines:** The Board formulates and implements policies related to examination conduct, evaluation criteria, grading systems, and assessment methodologies to ensure consistency and fairness across all academic programs.
- **Exam Scheduling and Coordination:** It is responsible for the timely scheduling and coordination of examinations, ensuring that all logistical aspects—such as venue allocation, invigilation, and material distribution—are effectively managed.
- **Quality Assurance in Assessments:** The Board ensures that assessment methods are aligned with learning outcomes and that they accurately measure students' knowledge and skills. This includes periodic reviews of examination papers and evaluation processes.
- **Handling Examination-Related Grievances:** The Board addresses any grievances related to examinations, such as discrepancies in evaluation, misconduct, and appeals against results, ensuring that issues are resolved in a fair and timely manner.

- **Results Declaration:** It oversees the compilation and declaration of examination results, ensuring accuracy and transparency in the reporting process. This includes establishing protocols for re-evaluation and rechecking of answer scripts.
- **Collaboration with Academic Departments:** The Board works closely with academic departments to ensure that the examination processes are reflective of the curriculum and that faculty members are involved in developing assessment tools.

University Key Highlights

JSPM University First Foundation Day

The first Foundation Day of JSPM University was celebrated with great enthusiasm by both the teaching and non-teaching staff. This landmark event marked a significant milestone in the university's journey, reflecting on its achievements and the dedication of its faculty and staff. The celebration included various activities that showcased the university's commitment to academic excellence and community building. Speeches from prominent leaders emphasized the collaborative spirit that drives the institution forward. As JSPM University continues to grow, this Foundation Day serves as a reminder of the collective efforts that contribute to shaping a brighter future for its students and the community at large.

JSPM UNIVERSITY PUNE
Invites you to

EntrepreNex
Seed to Success

The Startup Fest 2k24
where Innovation meets Opportunity
your "Flight to Future"

Join us for an Exhilarating Journey into the World of Entrepreneurship and Innovation at 'EntrepreNex' hosted by JSPM University Pune.

Highlights of the Event

- Funding Opportunities and Way Forward
- Pitch to Invest Investors for Seed - Funding
- Connect with Industry Experts
- Explore Innovative Start-Ups
- Gain Insights from Successful Entrepreneurs
- Network with Like-minded Individuals

Dates: 2nd & 3rd March 2024
Time: 10:00 am - 5:00 pm
Venue: JSPM University Cricket Ground, Gat No. 720, Nagar Road, Wagholi, Pune, - 412207

Inspiring Innovation. Transforming Lives!

JSPM University Start-up Fest

The JSPM University Start-up Fest, organized by the teaching and non-teaching staff, was a vibrant celebration of innovation and entrepreneurship. This event provided a platform for students and aspiring entrepreneurs to showcase their start-up ideas and connect with industry experts. Various workshops, panel discussions, and networking opportunities were held,

encouraging collaboration and knowledge sharing among participants. The fest highlighted the university's commitment to fostering an entrepreneurial spirit and supporting the next generation of innovators. By bringing together students, faculty, and industry leaders, the JSPM University Start-up Fest not only promoted creativity but also inspired attendees to turn their ideas into successful ventures.

Ph.D. Orientation Programme

The Ph.D. Orientation Programme at JSPM University, led by Prof. B.B. Ahuja, the Vice Chancellor, was designed to welcome and guide new doctoral candidates as they embark on their research journeys. The program provided an overview of the Ph.D. structure, expectations, and resources available to students. Prof. Ahuja emphasized the importance of rigorous research and encouraged students to engage deeply with their topics while fostering a collaborative spirit within the academic community. The orientation included insights from faculty members and discussions on best practices in research methodologies, equipping students with the tools they need for success in their academic pursuits. This initiative reflects

the university's commitment to nurturing high-quality research and supporting scholars in their quest for knowledge.

Blood donation camp on occasion of Birthday of Hon. Dr. Tanajirao Sawant Saheb

The Blood Donation Camp organized by JSPM University, on the occasion of the birthday of the esteemed Hon. Dr. Tanajirao Sawant Saheb, witnessed commendable participation from both teaching and non-teaching staff. This noble initiative aimed to raise awareness about the importance of blood donation and to contribute to community health. Dr. Sawant Saheb emphasized the vital role of blood donors in saving lives and encouraged staff members to engage in such altruistic acts regularly. The camp not only facilitated blood donation but also provided educational resources on health and safety related to the process. This event showcased the university's commitment to social responsibility and its proactive approach in fostering a culture of giving back to the community.

Inauguration of UGAM 2024

The inauguration of UGAM 2024, an induction program organized by the Faculty of JSPM University Pune, brought together all faculty members to welcome new students into the university community. This event aimed to familiarize students with the academic environment, resources, and opportunities available to them during their studies. Faculty members presented various sessions on academic expectations, university policies, and support services, ensuring that students feel equipped and informed as they begin their educational journey. The induction program also emphasized the importance of active participation in campus life and fostering a spirit of collaboration among peers and faculty.

Overall, UGAM 2024 served as a pivotal moment for students, setting the tone for a successful and enriching university experience.

Meraki Counselling Cell

The Faculty of Education and Humanities at JSPM University, through the Psychology Department under the School of Liberal Arts and Social Sciences, launched the Meraki Counselling Cell. This initiative aims to provide students, faculty, and staff comprehensive mental health support, guidance, and counselling services.

The Meraki Counselling Cell strives to promote mental well-being, emotional resilience, and personal growth within the university community by offering professional counselling. The cell is committed to creating a safe and supportive environment where individuals can seek help for a range of psychological concerns, fostering a healthy and balanced academic experience.

WORLD ENVIRONMENT DAY 2024

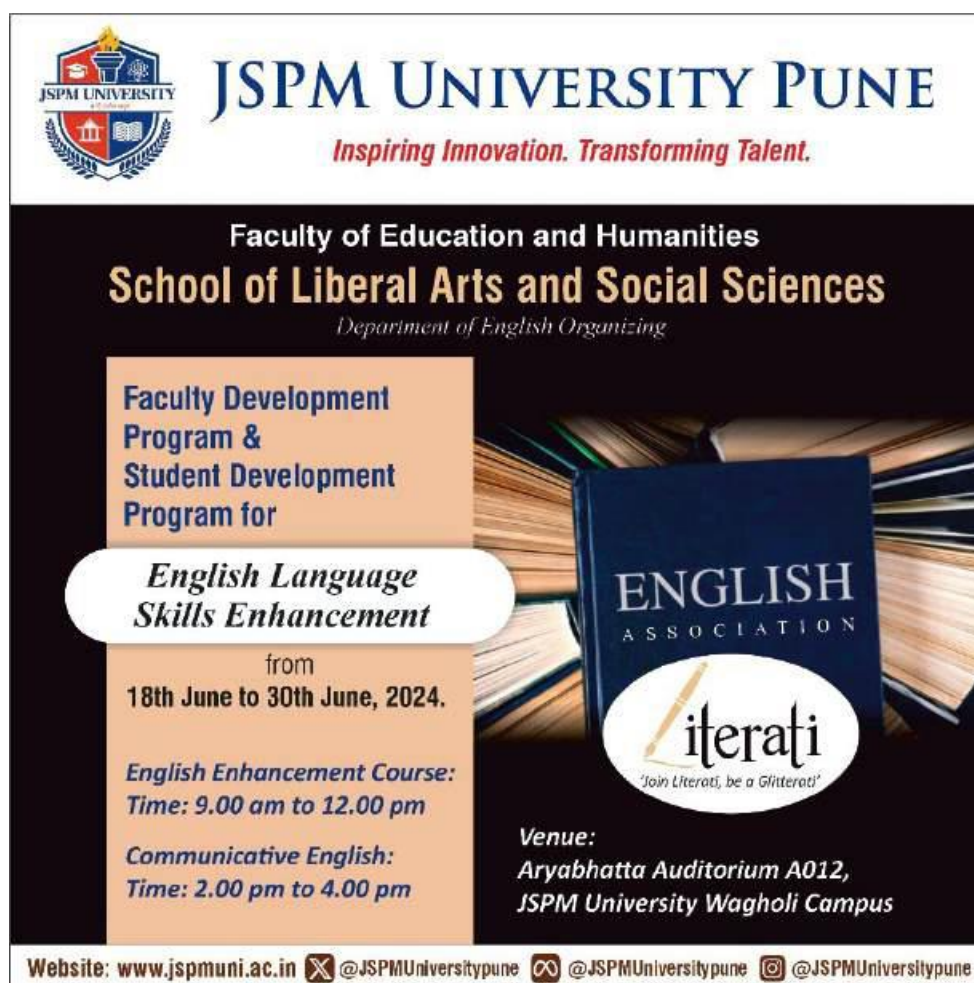

Scan the QR code for Zoom Meeting | **Date: Jun 5, 2024** | **Time: 10:30 AM**

World Environment Day Video Making Competition

The World Environment Day Video Making Competition organized by JSPM University aimed to raise awareness about critical environmental issues, focusing on land restoration,

desertification, and drought resilience. Under the slogan "Our Land. Our Future," the competition encouraged participants to creatively express their understanding of the importance of protecting and revitalizing ecosystems worldwide.

This initiative highlighted the urgent need for collective action to combat environmental degradation, emphasizing that safeguarding our land is essential for achieving the Sustainable Development Goals (SDGs). Participants were invited to produce informative and impactful videos that not only showcase the challenges we face but also inspire solutions and proactive measures for a sustainable future. The competition served as a platform for students to engage with environmental issues, promoting a sense of responsibility and advocacy for a healthier planet.

Student Development program: English Enhancement Course

The Student Development Program at JSPM University features an English Enhancement Course aimed at improving the language skills of all students. This initiative is designed to equip students with essential communication skills that are vital for academic success and professional development.

The course covers various aspects of English language proficiency, including speaking, listening, reading, and writing. Through interactive sessions, workshops, and practical exercises, students gain confidence in their language abilities, which is crucial for effective interaction in diverse settings. The program not only enhances students' communication skills but also prepares them for the global job market, where proficiency in English is often a key requirement. By investing in language development, JSPM University underscores its commitment to holistic education and student empowerment.

GYMNASIUM Inauguration

The inauguration of the new gymnasium at JSPM University was a significant event, led by Prof. B.B. Ahuja, the Vice Chancellor, alongside Prof. Burande, Prof. R.S. Deshpande, and other faculty members from the Faculty of Science and Technology (FST). This facility is designed to promote physical fitness and well-being among students, aligning with the university's holistic approach to education. During the inauguration, the leaders highlighted the importance of a balanced lifestyle and the role of physical activity in enhancing academic performance. The new gymnasium is expected to foster a culture of health and wellness on campus, encouraging students to engage in regular exercise and lead healthier lives.

Faculty Development Program: Communicative English

The Faculty Development Program at JSPM University includes a comprehensive course on Communicative English for all teaching and non-teaching staff. This initiative is designed to

enhance communication skills across the university, fostering a more effective and collaborative working environment.

The program focuses on improving proficiency in spoken and written English, enabling staff to engage confidently in academic discussions, presentations, and administrative tasks. Through interactive workshops, role-playing, and practical exercises, participants develop their language skills while also learning techniques for clear and effective communication. This initiative not only benefits individual staff members by boosting their professional development but also contributes to the overall academic environment at JSPM University, promoting a culture of excellence and collaboration among faculty and staff. By prioritizing communication skills, the university ensures that its team is well-equipped to meet the demands of a dynamic educational landscape.

IBM Train the Trainers/Teachers (T3): IT Infrastructure Landscape Overview

JSPM University hosted the IBM Train the Trainers/Teachers (T3) program, titled "IT Infrastructure Landscape Overview," from June 5 to June 8, 2024. Led by Mr. Mohsin Qureshi, a Cyber Security Subject Matter Expert at IBM with certifications including AWS Certified Security - Specialty and CompTIA Pentest+, this program aimed to equip faculty with essential knowledge and skills in IT infrastructure and cyber security.

The training covered a comprehensive overview of the current IT landscape, emphasizing best practices in infrastructure management and security measures to protect digital assets. Participants engaged in interactive sessions and hands-on workshops, enhancing their understanding of critical concepts and tools in the field.

This initiative not only aimed to elevate the technical expertise of faculty members but also sought to prepare them to effectively impart knowledge to students in an increasingly digital world. By investing in professional development through such partnerships, JSPM University reinforces its commitment to providing high-quality education and staying at the forefront of technological advancements.

Pharma Girls...
Here is a golden opportunity to join India's No. 1 Pharmaceutical Company, Sun Pharma as **Trainee Sales Executives** at Any location across India.

Are you looking for big career to reach Everest in pharma sales and marketing?

SUN PHARMA | **CAMPUS DRIVE**
Date: 21st June 2024

Organised by: JSPM University's School of Pharmaceutical Sciences, Wagholi, Pune

Campus Placement Drive of Sun Pharma Ltd. For B.Pharm

JSPM University hosted a Campus Placement Drive specifically for B.Pharm female students on June 21, 2024, featuring Sun Pharma Ltd. This initiative aimed to empower and provide opportunities exclusively for aspiring female pharmacists, recognizing the importance of promoting gender diversity in the pharmaceutical industry.

Key representatives from Sun Pharma, including Mr. Amit Singh (Sr. HR Manager), Sushil Masal (Manager-HR), Nanasaheb Patil (Zonal Sales Manager), Manoj Kumar Patil (Regional Sales Manager), Rahul Choudhari (Regional Sales Manager), and Jalindar Lande (Field Sales Manager), along with their HR team, led the event. They shared insights into the company's culture, expectations, and the various career paths available for women in the field.

The drive provided a platform for female students to engage directly with industry professionals, participate in interviews, and showcase their skills in a supportive environment. By focusing on female students, this placement drive underscores JSPM University's commitment to enhancing employability and supporting women's career aspirations in the pharmaceutical sector.

Seminar and Musical event on the occasion of G20 Summit in association with Akashwani & Doordarshan Pune Kendra

Faculty of Science and Technology hosted a seminar and musical event in association with Akashwani and Doordarshan Pune Kendra to commemorate the G20 Summit. The seminar featured Mr. Sudhansu Sehkar Padhy, DGM of Hero MotoCorp, who discussed the importance of industry collaboration for sustainable development. Following the seminar, attendees enjoyed a vibrant musical performance that celebrated cultural diversity.

National Engineer's Day

On the occasion of National Engineer's Day, JSPM University proudly honoured the contributions of engineers to society and the nation. Dr. R.S. Deshpande, Professor and In-Charge Dean of the Faculty of Science and Technology (FST), delivered an inspiring address highlighting the vital role of engineers in shaping our world through innovation and problem-solving. He emphasized the importance of ethical

engineering practices and continuous learning in a rapidly evolving technological landscape. The event celebrated the achievements of engineers and encouraged students to embrace the spirit of engineering with creativity and responsibility.

S.Y.BTech. Student Induction Program

Faculty of Science and Technology recently conducted the S.Y. BTech Student Induction Program, aimed at welcoming new students into the Faculty of Science and Technology (FST). The program was graced by Dr. R.S. Deshpande, Professor and In-Charge Dean of FST, who provided valuable insights into the academic journey and the vibrant campus life awaiting the students.

Dr. G. L. Agawane served as the faculty coordinator, guiding students through various activities designed to foster a sense of community and belonging. The induction program included interactive sessions, team-building exercises, and discussions on academic expectations, promoting a supportive environment for the students as they embark on their second year of studies. This initiative underscores JSPM University's commitment to enhancing the student experience and ensuring a smooth transition into the next phase of their education.

Ideathon: Stimulating Students' Creative Thinking

Faculty of Science and Technology recently hosted the "Ideathon" event, aimed at stimulating students' creative thinking and innovation. The keynote speaker, Dr. A.G. Kharat, former Principal of Jayawantrao Sawant College of Engineering (JSCOE), Pune, inspired participants with his insights on fostering a culture of creativity and problem-solving.

During his address, Dr. Kharat emphasized the importance of critical thinking and collaboration in today's rapidly changing world. The Ideathon included engaging activities and brainstorming sessions, encouraging students to develop and present their innovative ideas. This initiative reflects JSPM University's commitment to nurturing a creative mindset and preparing students to tackle real-world challenges effectively.

Four Fundamentals for Success in Life

Faculty of Science and Tecnology recently organized a session titled "Four Fundamentals for Success in Life" led by Mr. Ajay Kumar Nagvanshi, Senior Executive Engineer at Infosys, Pune. In his talk, Mr. Nagvanshi shared key principles essential for achieving success, emphasizing the importance of discipline, continuous learning, resilience, and effective communication. The session inspired students to adopt these fundamentals in their academic and professional journeys, equipping them with the mindset needed to excel in today's competitive world. His insights provided valuable guidance for shaping a successful and balanced life.

Placements at JSPM University

Mr. Ganesh Lohote from the Department of Civil Engineering, BSIOTR, Pune, recently highlighted the exceptional placement opportunities at JSPM University. He emphasized the university's robust industry connections, which facilitate a seamless transition for students from academia to the professional world. With dedicated placement support, students across various disciplines have access to top-tier

companies, enhancing their career prospects. Mr. Lohote also discussed the university's commitment to equipping students with the necessary skills, making them highly competitive and industry-ready, ultimately leading to successful placements in esteemed organizations.

Moodle Training Session

Prof. Gurav and Prof. Chaure from the Department of Civil Engineering, ICOER, Pune conducted a comprehensive Moodle Training Session. The session aimed to familiarize faculty and students with the features and functionality of the Moodle learning management system, which is extensively used at JSPM University for online learning and course management. Attendees were guided through the process of uploading course materials, conducting quizzes, and monitoring student progress. The session helped enhance the digital teaching-learning experience, fostering a more interactive and efficient educational environment.

Career Guidance Seminar

Faculty of Science and Tecnology recently hosted a Career Guidance Seminar led by Dr. R.S. Deshpande, along with esteemed faculties. The seminar provided valuable insights into career paths, emerging industry trends, and the skills required to thrive in a competitive job market. Dr. Deshpande emphasized the importance of aligning

academic strengths with career goals, while faculty members offered personalized advice on various fields and opportunities available to students. This seminar aimed to equip students with the knowledge and confidence needed to make informed career decisions and achieve long-term professional success.

Brilliant HR Meet 2023

The Brilliant HR Meet 2023, organized by the Brilliant HR Association under the leadership of its Chairman from the Faculty of Science and Technology (FST) at JSPM University, brought together industry leaders, HR professionals, and academicians to discuss the evolving trends in human resource management. The meet focused on fostering collaboration between academia and industry, addressing challenges in talent acquisition, employee engagement, and leadership development. It provided an excellent platform for students and professionals to network, gain insights into modern HR practices, and explore strategies for creating a dynamic and people-centric work environment.

Motivational Speech: The Importance of Soft Skills and Emotional Quotient

JSPM University recently hosted an inspiring session titled "The Importance of Soft Skills and Emotional Quotient", delivered by Mr. Raghvan Koli, Founder, Author, and Motivational Speaker at the Faculty of Science and Technology (FST). In his

speech, Mr. Koli emphasized the crucial role soft skills and emotional intelligence play in personal and professional success. He highlighted how attributes like communication, empathy, adaptability, and emotional awareness complement technical skills and contribute to better teamwork, leadership, and conflict resolution. His insights encouraged students to cultivate these essential skills to excel in both their careers and personal lives.

Amrit Kaal Vimarsh: Vikasit Bharat @2047

JSPM University recently organized an insightful seminar titled "Amrit Kaal Vimarsh: Vikasit Bharat @2047", led by Mr. Sudhansu Shekhar Padhy, Deputy General Manager at Hero MotoCorp, under the Faculty of Science and Technology (FST). Mr. Padhy shared his vision for India's growth and development as the nation moves toward 2047, marking 100 years of independence. He discussed the key areas of focus, including innovation, sustainability, and industrial growth, which are essential for creating a prosperous and developed India. His address inspired students to contribute to the nation's progress, emphasizing the importance of skill development, entrepreneurship, and social responsibility in shaping the future of India.

Parents-Teachers Meet

JSPM University recently held a Parents-Teachers Meet led by Dr. R.S. Deshpande and the faculty of the Faculty of Science and Technology (FST). The meeting provided an open platform for parents and faculty to discuss students' academic progress, co-curricular activities, and overall development. Dr. Deshpande

emphasized the importance of collaboration between educators and parents in shaping students' educational journeys. Faculty members shared insights into academic expectations, career guidance, and how parents can support their children's learning and emotional well-being. The meet fostered a stronger connection between the university and parents, reinforcing a joint commitment to student success.

Blood Donation Camp: JSPM University, under the leadership of Dr. R.S. Deshpande and the faculty of the Faculty of Science and Technology (FST), successfully organized a Blood Donation Camp. This noble initiative aimed to raise awareness about the importance of donating blood and contributing to society. Faculty, students, and staff participated enthusiastically, with many volunteers stepping forward to donate. Dr. Deshpande highlighted the critical role such events play in saving lives and fostering a sense of community responsibility. The camp was a resounding success, reflecting JSPM University's commitment to social welfare and humanitarian causes.

Smart India Hackathon Inauguration- 2023

The Smart India Hackathon 2023 was inaugurated by Dr. G.L. Agawane, Assistant Professor at the Faculty of Science and Technology (FST) of JSPM University. This prestigious event aims to inspire and engage students in tackling real-world problems

through innovative solutions. Dr. Agawane emphasized the significance of creativity and collaboration in technology development, encouraging participants to leverage their skills in software and hardware engineering. The hackathon serves as a platform for students to showcase their talents while contributing to national development, reflecting the university's commitment to fostering a culture of innovation and problem-solving.

NPTEL Center for MOOC

The NPTEL Center for MOOCs and Faculty Development Program (FDP) at JSPM University, spearheaded by Dr. Preeti Topannavar, Assistant Professor, aims to enhance the quality of education through innovative online learning resources. This center provides access to a wide range of Massive Open Online Courses (MOOCs) developed by esteemed institutions, facilitating self-paced learning for students and professionals alike. Dr. Topannavar's leadership focuses on empowering faculty members with the latest teaching methodologies and technologies, promoting continuous professional development. By fostering a culture of lifelong learning, the NPTEL Center plays a crucial role in bridging the gap between traditional education and modern digital learning environments.

- **School of Commerce**

National Youth Day 12th Jan 2024

The celebration of National Youth Day on January 12, 2024, organized by the Faculty of Business Management and Commerce (FBMC) at JSPM University, was led by Dr. Prabha Singh, the I/C Dean. The event aimed to honor the contributions of youth and emphasized empowerment and engagement in societal development. Activities

included inspirational talks and workshops, highlighting Swami Vivekananda's teachings on youth leadership. This celebration reinforced JSPM University's commitment to fostering a proactive mindset and leadership skills among its students.

"YOUTH UNITE" Online Programme on National Youth Day

The "Youth Unite" online program, held on National Youth Day and organized by the Faculty of Business Management and Commerce (FBMC) at JSPM University, was led by Dr. Prabha Singh, the I/C Dean. This virtual event aimed to engage and inspire young individuals by fostering a sense of unity and collaboration among youth. The program featured interactive discussions, motivational speeches, and activities centered around themes of empowerment and leadership. Dr. Singh emphasized the importance of youth involvement in societal progress, reinforcing JSPM University's commitment to nurturing the potential of its students and encouraging them to be proactive in shaping a better future.

JSPM University @ Constro 2024

JSPM University participated in Constro 2024 on 12 January 2024, organized by Heartfulness and coordinated by Dr. Prabha Singh, the I/C Dean of the Faculty of Business Management and Commerce (FBMC). This event provided a platform for showcasing the university's initiatives and contributions to the fields of construction and infrastructure.

The participation aimed to foster collaboration between academia and industry, promoting innovative ideas and solutions in the construction sector. Dr. Singh highlighted the importance of such events in bridging the gap between education and practical application, reinforcing JSPM University's commitment to enhancing student engagement and industry connections. Through this initiative, the university sought to inspire students and professionals alike, encouraging them to embrace sustainable practices in the construction industry.

Workshop On “Financial Education For Young Citizens”

The workshop on "Financial Education for Young Citizens," organized by the Faculty of Business Management and Commerce (FBMC) at JSPM University from February

14 to February 16, 2024, was led by Dr. Vineeta Agrawal, Associate Professor. This initiative aimed to equip students with essential financial literacy skills, empowering them to make informed financial decisions. During the workshop, participants engaged in interactive sessions covering topics such as budgeting, saving, investment strategies, and understanding financial markets. Dr. Agrawal emphasized the importance of financial education in today's world, aiming to foster a generation of financially savvy individuals. The program not only enhanced students' knowledge but also encouraged them to take proactive steps towards financial independence and responsibility. Through this workshop, JSPM University reaffirmed its commitment to providing valuable educational resources that prepare students for their future endeavors.

WOW Kids Annual Function Event Management

The WOW Kids Annual Function, an event management STTP (Short-Term Training Program), took place on January 27, 2024, and was coordinated by Dr. Prathamesh Nadkarni, Assistant Professor at JSPM University. This annual function aimed to showcase the talents and creativity of young participants, providing them with a platform to express themselves through various performances and activities. Dr. Nadkarni oversaw the event's organization, ensuring a seamless experience for both participants and attendees. The function featured a variety of engaging performances, including dance, music, and drama, highlighting the skills and enthusiasm of the kids involved. This event not only celebrated the achievements of young talents but also emphasized the importance of teamwork and collaboration in event management. Through the WOW Kids Annual Function, JSPM University demonstrated its commitment to fostering creativity and confidence among students and the community.

Guest session on Basics of Organ Donation and Transplantation

On July 31, 2024, the Faculty of Business Management and Commerce (FBMC) at JSPM University hosted a guest session on the "Basics of Organ Donation and Transplantation." The session was led by Dr. Prabha Singh and coordinated by Dr. Maroof, Dean and Associate Professor. This informative session aimed to raise awareness about the critical importance of organ donation and transplantation, educating students on the processes involved and the ethical considerations. Dr. Singh

provided valuable insights into the impact of organ donation on saving lives, emphasizing the need for community engagement and support for this noble cause. The event fostered an open dialogue among participants, encouraging them to understand the significance of organ donation and the role they can play in promoting this essential healthcare practice. Through this initiative, JSPM University demonstrated its commitment to community health education and social responsibility.

Swachhta Pakhawada

On October 10, 2024, the Faculty of Business Management and Commerce (FBMC) at JSPM University organized a cleanliness drive as part of the Swachhta Pakhawada (Cleanliness Campaign), led by Dr. Leena Modi, Associate Professor. This initiative aimed to promote awareness about cleanliness and environmental responsibility among students and the community. During the drive, participants actively engaged in cleaning activities around the campus and its surroundings, emphasizing the importance of maintaining a clean and hygienic environment. Dr. Modi highlighted the significance of collective efforts in fostering a sense of responsibility towards public health and the environment. The Swachhta Pakhawada not only reinforced the university's commitment to social responsibility but also encouraged students to adopt sustainable practices in their daily lives. Through this initiative, JSPM University aimed to instill values of cleanliness and community service among its students, promoting a culture of hygiene and respect for the environment.

Faculty of Health Sciences

- **School of Pharmaceutical Sciences**
- **School of Forensic Sciences**

1. **World Cancer Day:** On February 4, 2024, the Faculty of Health Sciences (FHS) at JSPM University hosted a guest session in observance of World Cancer Day, featuring

speaker Ms. Vednati Lute. The session aimed to raise awareness about cancer prevention, treatment, and the importance of early detection. Ms. Lute shared her insights and experiences related to cancer care, emphasizing the need for community education and support for individuals affected by cancer. The session encouraged open discussions about myths and facts surrounding cancer, empowering students and attendees with knowledge to make informed decisions regarding their health. This initiative by the FHS not only highlighted JSPM University's commitment to health education but also fostered a supportive environment for understanding the challenges associated with cancer. By promoting awareness on World Cancer Day, the university aimed to inspire students to become advocates for health and wellness in their communities.

2. **World Diabetes Day:** On February 15, 2024, the Faculty of Health Sciences (FHS) at JSPM University organized an awareness program in observance of World Diabetes Day, led by Dr. S. S. Jangam. The program aimed to educate students and the community about diabetes management, prevention, and the importance of maintaining a healthy lifestyle. Dr. Jangam delivered an informative session, covering key topics such as the causes and symptoms of diabetes, dietary recommendations, and the significance of regular physical activity. The program encouraged participants to engage in discussions, ask questions, and share experiences related to diabetes care. This initiative by the FHS reflected JSPM University's commitment to promoting health awareness and fostering a proactive approach to managing chronic diseases. By focusing on World Diabetes Day, the university aimed to empower individuals with knowledge and resources to better manage their health and prevent diabetes-related complications.

3. Guest lecture on blood stem cell donation awareness and recruitment of potential donors:

On March 18, 2024, JSPM University hosted a guest lecture focused on blood stem cell donation awareness and the recruitment of potential donors. The session was led by Dr. Sonali Bhandarkar, Officer of Ecosystem Development at DATRI, who shared valuable insights into the importance of blood stem cell donation in saving lives. Dr. Bhandarkar discussed the process of stem cell donation, its role in treating various diseases, and the critical need for more donors, particularly from diverse ethnic backgrounds. The lecture aimed to educate students about the life-saving potential of stem cell donations and to encourage them to consider becoming donors. This initiative emphasized JSPM University's commitment to community health and social responsibility, empowering students with knowledge about blood stem cell donation and its impact on the lives of patients in need. The event aimed to inspire a new generation of potential donors, highlighting the significance of their contribution to medical science and patient care.

4. Industrial Expert Lecture as Co-teacher- Lung volumes and capacity:

Applications in evaluation of respiratory system:

On April 16, 2024, JSPM University organized an Industrial Expert Lecture titled "Lung Volumes and Capacity: Applications in Evaluation of the Respiratory System." The session was conducted by Dr. Anil C. Deshpande, an esteemed expert in the field. Dr. A. B. Deshmukh, Assistant Professor in the Department of Kriya Sharir at MAM's Sumatibhai Shah Ayurved Mahavidyalaya, served as the faculty coordinator for the event. The lecture focused on the significance of understanding lung volumes and capacities in assessing respiratory health and functionality. Dr. Deshpande provided insights into various evaluation techniques and their applications in clinical practice, enhancing the audience's comprehension of respiratory system dynamics. This event highlighted JSPM University's commitment to providing students with exposure to industry expertise and fostering a deeper understanding of critical health-related topics.

5. **Industrial Expert Lecture as Co-teacher- Current trends in viral disease diagnostic methods":** On April 20, 2024, JSPM University hosted an Industrial Expert Lecture titled "Current Trends in Viral Disease Diagnostic Methods." The session was led by a Scientist 'C' from the Diagnostic Virology Group at the Resource Center for Virus Diagnostic Laboratories, ICMR-National Institute of Virology, Pune. The expert discussed the latest advancements in diagnostic techniques for viral diseases, emphasizing the importance of rapid and accurate testing methods in public health. The lecture covered various diagnostic approaches, including molecular techniques and innovative technologies that enhance the detection and management of viral infections. This event provided students with valuable insights into the field of virology and diagnostics, highlighting JSPM University's commitment to bridging academic knowledge with real-world applications in health science. By engaging with industry experts, students gained a deeper understanding of current trends and challenges in viral disease diagnostics.

6. **Campus Placement Drive (virtual) of Alembic Pharmaceuticals Ltd: JSPM**

University conducted a virtual campus placement drive for Alembic Pharmaceuticals Ltd. on May 2 and May 23, 2024, specifically targeting B.Pharm graduates. The event was coordinated by Mohit Vishwakarma and his team, with Dr. T. D. Nandgude serving as the faculty coordinator. During the placement drive, representatives from Alembic Pharmaceuticals presented various career opportunities within the organization, highlighting the skills and qualifications they seek in prospective candidates. Students had the chance to engage in interviews and discussions, allowing them to showcase their competencies and aspirations. This initiative underscored JSPM University's commitment to facilitating student placements and enhancing their career prospects in the pharmaceutical industry. By connecting students with a leading company like Alembic Pharmaceuticals, the university aimed to provide valuable industry exposure and opportunities for professional growth.

7. Mock Interviews are conducted under pre-placement activities for B.Pharm in collaboration with Magic Bus India Foundation:

On May 9, 2024, JSPM University conducted mock interviews as part of pre-placement activities for B.Pharm students, in collaboration with the Magic Bus India Foundation, Pune. This training activity aimed to prepare students for real-world job interviews, enhancing their confidence and interview skills. The mock interviews were facilitated by Yashwant Shripati Janave, Vinod Gaikwad, and the HR team from Magic Bus Foundation. Participants received valuable feedback on their performance, including tips on how to improve their presentation and communication skills during interviews.

8. Chemistry Day Celebration: On August 2, 2024, JSPM University celebrated Chemistry Day with a one-day symposium titled "Exploring Chemical Sciences: Inspiring the Future Generation." The event featured esteemed speakers, including Dr. K. S. Jain, Principal of Rajmata Jijau College of Pharmacy, who shared valuable insights into the significance of chemical sciences in today's world. The symposium was coordinated by Dr. Aparna Bhalerao as the Convener and Dr. Sampada Jangam as the Co-Convener from the Faculty of Health Sciences (FHS). In addition to the symposium, a poster competition was held, allowing students to showcase their research and innovative ideas in the field of chemistry. This celebration aimed to inspire the next generation of chemists and foster a passion for scientific inquiry among students. By providing a platform for knowledge exchange and creativity, JSPM University reinforced its commitment to promoting academic excellence and encouraging students to engage actively in the sciences.

9. Pool Campus Placement Drive Advantmed India LLP: On August 11, 2024, JSPM University hosted a pool campus placement drive for Advantmed India LLP, providing an opportunity for students to explore career options in the healthcare sector. The event was coordinated by Dr. Tanaji Nandgude and Dr. J. P. Bayas, Associate Professor and Assistant Professor, respectively, from the Faculty of Health Sciences (FHS). During the placement drive, representatives from Advantmed India LLP outlined the company's vision, available positions, and the skills required for prospective candidates. Students had the chance to participate in interviews, gaining

firsthand experience in the recruitment process and networking with industry professionals. This initiative underscored JSPM University's commitment to enhancing student employability and facilitating connections between academia and industry. By partnering with Advantmed India LLP, the university aimed to empower students to secure meaningful career opportunities in the rapidly evolving healthcare field.

Faculty of Education and Humanities

- **School of Liberal Arts and Social Sciences**
 - **School of Education**
 - **School of Law**

- 1. Faculty Development Programme on Communicative English:** From June 18 to June 28, 2024, JSPM University organized a Faculty Development Program (FDP) on Communicative English, facilitated by the Literati English Language Club in collaboration with the Department of English. This program was designed to enhance the communication skills of faculty members, enabling them to effectively engage with students and improve their teaching methodologies. The FDP included interactive sessions, workshops, and practical exercises aimed at improving proficiency in English communication. Participants explored various aspects of language use, including effective presentation skills, academic writing, and interpersonal communication. By focusing on communicative English, the program aimed to empower faculty with the necessary skills to foster a more dynamic and engaging learning environment. This initiative reflected JSPM University's commitment to continuous professional development and excellence in education within the School of Liberal Arts and Social Sciences.
- 2. Students development Program on English Enhancement Course:** From June 18 to June 28, 2024, JSPM University conducted a Student Development Program (SDP) focusing on an English Enhancement Course, organized by the Literati English Language Club in collaboration with the Department of English. This program aimed to improve students' English language skills, which are essential for academic success and effective communication in a globalized world. The SDP included a series of interactive workshops and activities designed to enhance listening, speaking, reading, and writing abilities. Participants engaged in practical exercises, group discussions, and presentations to build their confidence in using English in various contexts. By offering this enhancement course, JSPM University demonstrated its commitment to supporting student development and preparing them for future academic and professional challenges. The program aimed to foster a love for the English language while equipping students with the skills necessary for effective communication in their personal and professional lives.

- 3. The Role of Artificial Intelligence in Education:** On April 27, 2024, the Faculty of Education and Humanities at JSPM University organized an insightful session titled "The Role of Artificial Intelligence in Education," featuring Dr. Aatul Wadegonkar as the invited speaker. The session was specifically aimed at benefiting PhD students, providing them with valuable perspectives on the integration of artificial intelligence in educational practices. Dr. Wadegonkar discussed various applications of AI in education, including personalized learning, data analytics, and the use of intelligent tutoring systems. He emphasized the potential of AI to enhance teaching methods, improve student engagement, and streamline administrative processes. This initiative aimed to equip PhD students with knowledge about cutting-edge technologies that are transforming the educational landscape. By exploring the implications of AI in education, JSPM University reaffirmed its commitment to fostering innovation and preparing students for future challenges in their academic and professional careers.

Student Achievements

Academic and Research Report Writing

From January to June 2024, JSPM University offered a program on "Academic and Research Report Writing," conducted by Swayam and led by Bhagyashri Chigare, a doctoral student from the School of Pharmaceutical Sciences. This initiative aimed to enhance students' skills in effectively documenting their research findings and academic projects. The program covered essential aspects of report writing, including structuring reports, presenting data clearly, and adhering to academic standards. Participants engaged in practical exercises and discussions, allowing them to refine their writing skills and learn best practices for communicating research effectively. By focusing on academic and research report writing, JSPM University aimed to empower students to present their work professionally and contribute to the academic community. This program highlighted the university's commitment to fostering research capabilities and supporting students in their scholarly endeavors.

2nd Prize in in Cricket Competition in Vidhirang 2024

From April 3 to April 6, 2024, JSPM University participated in the Vidhirang 2024 cricket competition, organized by P. E. S. Modern Law College, Pune. The university's cricket team, consisting of talented players including Mr. Yash Sambhudas and Mr. Saurabh Jadhav, both first-year B.Pharm students from the School of Pharmaceutical Sciences, showcased their skills and teamwork throughout the tournament. The team excelled in the competition and secured the 2nd prize, demonstrating their dedication and competitive spirit. This achievement not only highlights the sporting talent within JSPM University but also reinforces the importance of extracurricular activities in fostering teamwork, discipline, and a sense of community among students. JSPM University congratulates the cricket team on their impressive performance and encourages all students to engage in sports and other activities that promote personal growth and camaraderie.

1st Prize inTech Fest: Ethans

On March 22, 2024, JSPM's Rajashri Shahu College of Engineering (RSCOE), Pune, participated in the Tech Fest: Ethans, where the college's team achieved remarkable success by securing the 1st prize. The team members, Mr. Anshuman Mishra and Mr. K. Pawar, both first-year B.Tech students from the School of Computational Sciences, showcased their innovative skills and technical expertise in various competitions held during the fest. Their outstanding performance demonstrated not only their individual talents but also the collaborative spirit fostered within JSPM University. This achievement reflects the university's commitment to encouraging students to engage in technical events, enhancing their learning experience and preparing them for future challenges in the rapidly evolving field of technology. JSPM University congratulates Anshuman and K. Pawar on their exceptional accomplishment and encourages all students to continue pursuing excellence in both academic and extracurricular activities.

Industry-Academia Connect

Academic MoU signed with NeoLuminous (A division of Neuvocare Pharmaceuticals)**Pune**

JSPM University has signed an academic Memorandum of Understanding (MoU) with NeoLuminous, a division of Neuvocare Pharmaceuticals in Pune, focusing on the Faculty of Health Sciences. This strategic partnership aims to enhance educational and professional opportunities for students through various collaborative initiatives.

The MoU outlines a one-year tenure during which both institutions will work together on training and internship programs, providing students with practical experience in the pharmaceutical industry. Additionally, it will facilitate guest sessions and faculty exchange, allowing for knowledge sharing and enhancing the academic environment. The collaboration also includes joint efforts in product development and market research projects, equipping students with real-world insights and skills. Furthermore, the partnership offers placement support, ensuring that graduates are well-prepared for career opportunities in the health sciences field. This initiative underscores JSPM University's commitment to fostering industry relationships and enhancing student employability.

Knowledge Sharing and Industry Interaction Mou signed with GENIUS Infotech Pune

JSPM University has established a Knowledge Sharing and Industry Interaction Memorandum of Understanding (MoU) with GENIUS Infotech, Pune, focusing on collaboration within the Faculty of Science and Technology. This one-year agreement aims to bridge the gap between academia and industry, fostering a robust environment for knowledge exchange and professional development.

The MoU facilitates various initiatives, including guest lectures, workshops, and hands-on training programs, allowing students and faculty to engage directly with industry experts. This interaction not only enriches the academic experience but also helps students gain valuable insights into current industry trends and practices. Through this partnership, JSPM University reinforces its commitment to providing a dynamic learning environment that prepares students for successful careers in the rapidly evolving tech landscape.

MoU signed with EUGateway Study Abroad (Markians Consultant Pvt.Ltd.) Pune

JSPM University has signed a Memorandum of Understanding (MoU) with EUGateway Study Abroad (Markians Consultant Pvt. Ltd.) Pune, on May 28, 2024. This partnership is focused on enhancing employment opportunities and skill development within the Faculty of Science and Technology over a five-year tenure.

The MoU aims to provide a comprehensive range of career services to students, including profile development, CV preparation, and guidance on crafting effective statements of purpose. Additionally, it includes support for visa applications and pre-departure orientations, ensuring students are well-prepared for their study abroad experiences. This collaboration reflects JSPM University's commitment to equipping its students with the necessary tools and resources to succeed in a global job market, fostering their growth as competent professionals ready to take on international challenges.

MoU signed with Tech Mahindra Foundation (SMART Healthcare academics of TMF) Mumbai

JSPM University has signed a Memorandum of Understanding (MoU) with Tech Mahindra Foundation (SMART Healthcare Academics of TMF) Mumbai on May 28, 2024. This collaboration focuses on the Faculty of Health Sciences and aims to enhance the educational offerings in paramedical courses over a three-year tenure.

Under this MoU, JSPM University will run various Bachelor of Vocational (B. Voc) programs, including Medical Lab Technology, Dialysis Technology, Medical Imaging and Radiography, and Operation Theatre and Anaesthesia Technology. The partnership is designed to equip students with practical skills and knowledge necessary for careers in the healthcare sector, addressing the growing demand for qualified professionals in these fields. By collaborating with Tech Mahindra Foundation, JSPM University reinforces its commitment to providing quality education and contributing to the development of a skilled healthcare workforce.

Scoliverse Educare Private Limited (Internshala)

JSPM University signed a Memorandum of Understanding (MoU) with Scoliverse Educare Private Limited (Internshala) on June 19, 2024, to enhance internship and training opportunities for students within the Faculty of Science and Technology. This partnership, set for a three-year tenure, aims to provide valuable industry exposure and practical experience to students.

Through this collaboration, students will have access to a range of internship programs and training initiatives, allowing them to develop essential skills and gain insights into real-world applications of their academic knowledge. The MoU reflects JSPM University's commitment to bridging the gap between academia and industry, ensuring that students are well-prepared for their future careers. By partnering with Scoliverse Educare, JSPM University reinforces its dedication to fostering a culture of experiential learning and professional growth among its students.

Scoliverse Educare Private Limited (Internshala)

JSPM University signed a Memorandum of Understanding (MoU) with Scoliverse Educare Private Limited (Internshala) on June 19, 2024, to enhance internship and training opportunities for students within the Faculty of Science and Technology. This partnership, set for a three-year tenure, aims to provide valuable industry exposure and practical experience to students.

Through this collaboration, students will have access to a range of internship programs and training initiatives, allowing them to develop essential skills and gain insights into real-world applications of their academic knowledge. The MoU reflects JSPM University's commitment to bridging the gap between academia and industry, ensuring that students are well-prepared for their future careers. By partnering with Scoliverse Educare, JSPM University reinforces its dedication to fostering a culture of experiential learning and professional growth among its students.

CIIA (Creative Ideas & Innovation in Action)

JSPM University signed a Memorandum of Understanding (MoU) with CIIA (Creative Ideas & Innovation in Action) located at 8B, Shivsagar, Shivaji Park Road No. 5, Mumbai, on July 23, 2024. This partnership focuses on organizing innovation exhibitions, providing a platform for students to showcase their creative ideas and innovative projects.

The MoU aims to foster a culture of innovation and creativity among students, encouraging them to develop and present their projects in a collaborative environment. Through this partnership, JSPM University will facilitate opportunities for students to engage with industry experts, receive feedback on their ideas, and explore potential pathways for implementation.

This collaboration highlights JSPM University's commitment to promoting innovation in education and supporting students in their quest to become effective problem-solvers and leaders in their respective fields. The innovation exhibition will serve as a significant event for showcasing talent and encouraging a spirit of entrepreneurship among students.
