

ABOUT ASME at School of Mechanical and Manufacturing Sciences, Faculty of Science and Technology, JSPM university Pune

American Society of Mechanical Engineers (ASME) is an American professional association that, in its own words, “promotes the art, science, and practice of multidisciplinary engineering and allied sciences around the globe” via “continuing education, training and professional development, codes and standards, research, conferences and publications, government relations, and other forms of outreach.” ASME is an engineering society, a standards organization, a research and development organization, an advocacy organization, a provider of training and education, and a nonprofit organization. Founded as an engineering society focused on mechanical engineering in North America, ASME is today multidisciplinary and global. ASME has over 110,000 members in more than 150 countries worldwide.

OBJECTIVES OF ASME STUDENT SECTION:

- Provide a platform for networking with other students at the campus, as well as with mechanical engineering students anywhere in the world
- Get an opportunity to organize/attend the National/Global events like Technical Competitions, Webinars, Engineering Festivals etc. across India
- Provide an opportunity for students to broaden their knowledge by participating in Student Design Competition, Human Powered Vehicle Challenge, IAM3D, E4C activities at Global level
- Stay connected to different ASME sections across the Globe and widen the knowledge to reach professional goals
- Provide an opportunity to develop skills as a leader for personal as well as professional growth
